

R.S. Surgipharm Pvt Ltd

1st Floor, Sainath Complex, Opp Shubham Hospital,
Sardar Patel Cross Road, Naranpura,
Ahmedabad, Gujarat-380014.

Who We Are

Established in 2007, RS Surgipharm Pvt Ltd is a leading pharmaceutical company dedicated to providing world-class healthcare solutions and therapies to a large number of patients suffering from various illnesses. We pride ourselves on being a professionally managed organization with a highly motivated core team and an experienced workforce well-versed in the pharmaceutical industry.

At RS Surgipharm, we offer a diverse range of products sourced from reputed manufacturers worldwide. Our extensive portfolio caters to businesses in the medical, healthcare, hospital, and government sectors. We excel in solving complex supply problems and provide a wide array of products, including controlled and licensed pharmaceuticals, as well as generic finished dosage forms such as tablets, capsules, ampoules, solutions, and injectables.

We prioritize quality, service, trust, and reliability in all our operations. Our commitment to delivering excellence is reflected in our adherence to WHO GMP standards, ensuring that our customers receive products of the highest quality from qualified, certified, and approved manufacturers.

With a customer-centric approach, RS Surgipharm Pvt Ltd is dedicated to serving the needs of the healthcare industry and contributing to the well-being of patients.

Reason behind the Success

Mr. Ashish Shah

RS Surgipharm has established itself as a leading distributor of specialty pharmaceutical products, thanks to the dedicated efforts of its core team and the leadership of Mr. Ashish Shah, a veteran and director with 30 years of experience in the industry. Mr. Shah's commitment to providing the best service and quality to every client has cultivated strong relationships with various government, semi-government, and private institutes.

To ensure product integrity and patient safety, RS Surgipharm has implemented robust Standard Operating Procedures (SOPs) for the management and distribution of all our products. Our professional and trained staff diligently follows these guidelines, ensuring that procedures are adhered to at all times.

With over three decades of combined experience, we have honed our processes to be highly efficient, allowing us to excel in the business of supplying hospitals, clinics, and institutions. Our reach and reputation in the market have attracted more than 35 companies to partner directly with us, recognizing the value we bring as their channel partner.

RS Surgipharm remains committed to upholding the highest standards of service, quality, and professionalism in the pharmaceutical industry. We continue to expand our offerings, strengthen our relationships, and deliver excellence to our valued clients.

Our Values

Upholding High Standards for Safety and Quality: Our Values at RS Surgipharm Pvt Ltd

In the pharmaceutical industry, maintaining high standards and adhering to internal policies is crucial. These practices are essential in preventing incidents and ensuring safety. Given the high-risk nature of the pharmaceutical industry, where consistent quality control and safety are paramount, RS Surgipharm Pvt Ltd has implemented strict policies governing the storage, handling, and distribution of pharmaceuticals.

Mission:

At RS Surgipharm Pvt Ltd, our mission is to deliver medicines timely and efficiently, with the utmost care in packaging, to healthcare institutions and patients. We are dedicated to ensuring access to high-quality healthcare products and contributing to the well-being of individuals in need.

Vision:

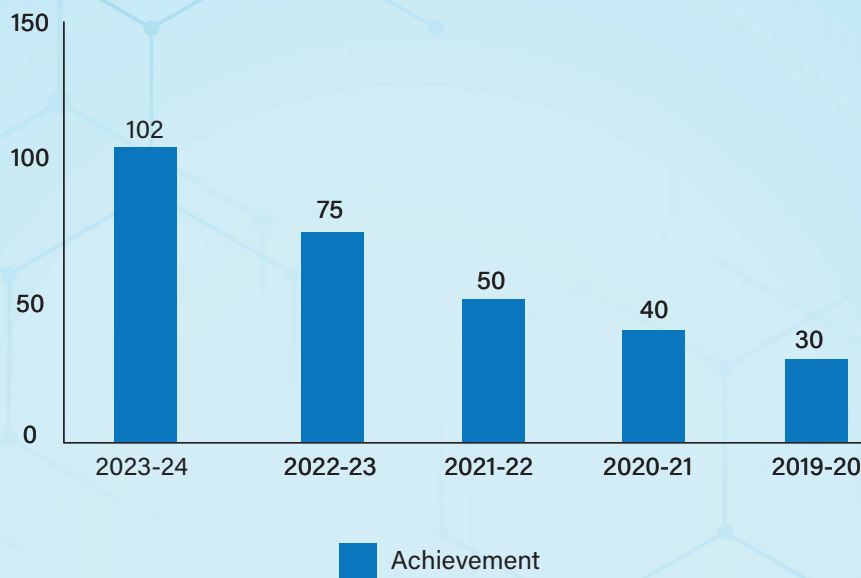

We aspire to make significant contributions towards building a healthy India. Our vision is to become the country's most valuable and trusted company in the field of pharmaceutical distribution. Through our commitment to excellence, we aim to shape the future of healthcare and positively impact the lives of people nationwide.

State of the Art Facility

Our company operates from a state-of-the-art facility equipped with all the necessary infrastructure for the distribution of specialty medicines. Our facility includes:

- 1. Cold Room:** We have a dedicated cold room with defined hot and cold spots, maintaining optimal temperature (2-8 °C) conditions for the storage of temperature-sensitive medications.
- 2. Cool Room:** Our cool room is equipped with defined hot and cold spots to store medications requiring controlled temperature (15-25 °C) conditions.
- 3. Data Loggers:** We utilize advanced data loggers to continuously monitor and record temperature levels in our cold room and cool room, ensuring strict adherence to temperature requirements.
- 4. Special Delivery Bags:** We employ specialized delivery bags designed to preserve the integrity and temperature stability of medications during transportation.
- 5. Ample Storage Space:** Our facility provides ample storage space where we store goods on pallets, ensuring efficient organization and easy access to medications.
- 6. Fire Safety:** We prioritize the safety of our facility and personnel by implementing robust fire safety measures, including fire detection systems, firefighting equipment, and regular safety drills.

"Continuous Growth, Strong Partnerships, and Financial Success: A Path to New Horizons"

Since our inception, we have experienced continuous growth driven by our exceptional service and strong relationships with customers and stakeholders. Our market share has been expanding thanks to our competent staff and our commitment to safe product handling and deliveries. By leveraging our state-of-the-art facility and extensive market reach, we have earned the trust of our stakeholders.

As a result of these advantages, we have been able to establish partnerships with numerous Cancer Institute's and are continuously adding new companies to our portfolio. Our success is further evident in our remarkable financial growth. Year over year, we have been experiencing significant progress, and we anticipate surpassing 140 Crore in the projected year 2024-25. However we are not content with stopping there, our aspirations drive us to achieve 200 crore by the end of 2026.
